

## **Bio-Data - Dr. Sanjoy Kumar Pal**

I was born on July 07<sup>th</sup> 1965 in Bhopal. I did my primary schooling from S. E. Railway Mixed Higher Secondary School, Kharagpur and my subsequent schooling was from Hijli Higher Secondary School, Kharagpur and Ideal Higher Secondary School, Bhopal. After completing my graduation in 1985 from Barkatullah University, Bhopal, I joined the School of Life Sciences, University Teaching Department of the same university. After successfully completing my masters in Genetics in 1987 I moved to Indian Veterinary Research Institute, Izatnagar for my Ph.D. I was awarded my Ph.D. (Animal Genetics) in 1993. I did my post doctoral training from the department of Medical Genetics & Gastroenterology, Sanjay Gandhi Postgraduate Institute of Medical Sciences (SGPGIMS), and Indian Institute of Toxicology Research, Lucknow. As Lecturer I joined the department of Biotechnology in Sardar Bhagwan Singh Postgraduate Institute of Biomedical Sciences and Research, Dehradun in 2006. After serving there for 2 years I moved to Ipca Traditional Remedies (P) Ltd., a sister concern of Ipca Laboratories Limited, Mumbai (2008-10), as Senior Scientific Manager. From 2010 to 2014 I worked as Assistant Professor in the School of Animals Sciences, Haramaya University, Ethiopia. From 2014 - 16, I was a Senior Scientist in Centre for Advance Communication, STEP, IIT, Kharagpur. Presently, I am a professor in RNB Global University, Bikaner.

I have also studied Alternative Medicine from Indian Board of Alternative Medicine from Kolkata and completed the post-graduate program in Clinical Research from Protonix Research Services (P) Ltd., Hisar in 2010. I have over 60 research articles published in international peer reviewed Indian & foreign journals and over 90 research abstracts in conference proceedings. I have researched on genetic of gallbladder cancer, and I was responsible for clinical management of Hepatitis C patients in SGPGIMS. My present research area concerns the characterization and study of non conventional medicines used in the treatment of cancer. I have also guided many postgraduate students for their dissertation work.

I am married and my wife is a school teacher and we have a daughter.
